

RAHUL SINGH

FINANCIAL ANALYST | ACCA CANDIDATE

Delhi NCR | +91 8077155117 | info2singhrahul@gmail.com | [Linkedin](#)

PROFILE SUMMARY

ACCA Candidate (7/13 papers cleared) and B.Com Graduate with hands-on experience in financial analysis, audit support, and compliance operations through my role at **American Express**. Currently upskilling in **financial modelling** and looking for opportunities in finance, audit, accounting, and analytical domains.

EXPERIENCE

Financial Analyst I

American Express | April 2026 – Present

- Enhanced audit readiness by validating and structuring high-volume financial datasets aligned with compliance standards
- Identified discrepancies in invoice data, reducing audit risk exposure and improving data integrity
- Optimized audit workflows by organizing financial data using advanced Excel techniques
- Collaborated with cross-functional teams to ensure accuracy and streamline reporting processes
- Led coordination efforts within the team to ensure timely completion of critical data files in a deadline-driven environment
- Managed critical financial data files supporting Mexico operations while ensuring accuracy and timely completion in a deadline-driven environment

Intern - Operations

IMS Proschool | May - July 2024

- Analyzed performance data of 80+ students, identifying key trends and improvement areas
- Delivered insights contributing to an 85% pass rate in the CFA program
- Improved data tracking and reporting accuracy through structured analysis
- Coordinated with internal teams to address performance gaps and improve outcomes
